

(10)" YOUTHS MEAN EVERYTHING TO ME"- SWAMISHREE

The whole life of Swamishree is infused with gurubhakti-devotion towards His master-Yogiji Maharaj. Since the day Yogiji Maharaj assigned Swamishree, the duty to serve and look after the youths, He has not let pass a single opportunity to do so...

It is quite often observed that while in service to the youths and devotees, Swamishree absolutely goes unaware of the place, time and even His own body and physical activities but gets engrossed in the serving them, all the times.

Once, in Yogidham Campus, Rajkot, Swamishree in standing posture with Umeshbhai Yagnik was having a private conversation, which went on for nearly over half an hour. Seeing Swamishree standing all time, P.Maitriswami prayed to Swamishree to kindly sit in the room inside the building and then continue the conversation since outside there were so many mosquitoes biting.

On this, Swamishree replied to P.Maitriswami.."**Maitri..by the grace of Bapa(YogijiMaharaj) whenever I am in (service) private conversations either with devotees or with youths, I go unaware about my body"**

This shows and proves how fortunate we all are that we have gained the warmth and love of such a proven Parent and His divine shelter and association (yog) who is all the times eager to sacrifice His "Everything" for us.

So in return, let all of us too take vows and resolve to express our solidarity and prove our devotion to our such "Guru" by serving wholeheartedly the "Atmiya Yuva Mahotsav" and try to give to His divine Heart, a sigh of relief.
